RANGE
Coffee Refinements

Coffee refinement for the purest indulgence

Creamy, light and full-flavoured: top off every coffee drink with our milk specialties – while turning small moments of joy into unforgettable experiences for your guests.

The large assortment of multi-portion-packs with different fat contents, single-portion-packs and practical resealable 1 litre containers is perfect for demanding bulk consumers in the food service industry, hotels or catering.

Indulgent coffee moments for each and every menu or a quick coffee fix.

Your benefits:

- ✓ Perfect coffee refinement in an exquisite quality and diversity
- ✓ Transfer straight from the practical resealable 1/1 l container
- ✓ Demand-based portions for self-service or as an add-on
- ✓ Unopened: store ambient for up to 16 weeks; opened: chilled usability for up to 3 days

Only the best for your guests' coffee.

Evaporated milk, coffeemilk or coffee cream for the perfect coffee indulgence. Cup after cup.
